

Sausage & Veggie Hobo Dinner

directions

1. Cut veggies in 1/8 inch thick strips or in bite size pieces.
2. In a large bowl add the veggies and mix.
3. Salt and pepper.
4. Cut 12 inch piece of aluminum foil for each packet.
5. Add 2 sausages to each packet and a handful of the veggies. Fold and crimp packet securely.
6. Cook on hot grill for 15-20 minutes until sausage has cooked thoroughly at 170°. For cooking in a conventional oven, preheat at 350°f and cook for 45 minutes to 1 hour.

notes

This is a very forgiving recipe and any combo of veggies or any variety of Swaggerty's Farm sausage will work well.

To reduce grill time cut sausage in bite size pieces.
